

Dear Friend,

Greetings from the Maynard Community Chest - Maynard's only hometown charitable non-profit organization that raises and distributes funds to a broad range of human service agencies serving people who live and work in Maynard.

We are proud that the Community Chest has been supporting local agencies in providing services that have a direct, positive impact on our community since 1967.

Thank you to the Maynard business community for donating more strongly than usual in 2007-2008. Now entering our 41st year, we appreciate and rely on the generosity of the Maynard business community more than ever.

Of course, in return for your support, the Community Chest seeks to appropriately recognize you. In addition to publicly noting your support at each appropriate opportunity (such as on our website, www.maynardchest.org, and in all Community Chest publicity), we are also pleased to announce the return of our "2008-09 Proud Supporter of the Maynard Community Chest" vinyl cling stickers to all businesses contributing at least \$50.

As generous as the Maynard business community has been, we know that this year presents even more difficult challenges and that you will have many requests for your financial support. We hope that you will consider giving back directly to Maynard by a contribution to the Community Chest's 2008-2009 Annual Campaign.

Proudly in black and orange,

Shari Belanger
