

Caring for the heart of Maynard since 1967

A group of civic-minded Maynard residents founded the Community Chest in 1967 to ensure that a broad range of human services is available to the people of Maynard, no matter their age, ability or needs.

The Maynard Community Chest supports a wide range of agencies that provide essential services to many segments of Maynard's population:

- A Friend in Need
- Big Brothers Big Sisters of Central Mass/Metrowest
- Boys & Girls Club of Assabet Valley
- Boy Scouts, Knox Trail Council
- The Community School
- Cooperative Elder Services
- Domestic Violence Services Network
- The Eliot Center
- EXCEL Programs
- First Connections
- Girl Scouts, Patriots Trail Council
- Maynard Food Pantry
- Maynard Senior Citizens
- Metrowest Legal Services
- Minuteman ARC for Human Services
- Minuteman Senior Services
- Open Table Maynard
- Stow Food Pantry

As a Town of Maynard employee, you are in constant contact with our residents. Without a doubt, some of those residents have need of the services provided by the agencies supported by the Maynard Community Chest. Now, more than ever, those agencies are being asked to give more assistance with less funding. You have a unique opportunity to support the Maynard Community Chest and help these residents by making a tax-deductible payroll deduction. Will you help us strengthen our community?

Visit our website to learn more about the Maynard Community Chest and the agencies we support at www.maynardchest.org.

Interested employees should return the bottom tear-off form to either the Town of Maynard Treasurer or the Maynard Public Schools payroll officer. You may start this payroll deduction at any time. Please contact Jennifer Ubaldino, President, Maynard Community Chest, with any questions at info@maynardchest.org and thank you for helping us care for the heart of Maynard.
